## ABOUT THE IIS UNIVERSITY

The IIS University (IISU) is an exceptionally cosmopolitan and vibrant university based in one of the country's most exciting and ethnically rich cities – The Pink City. Amongst the 38 deemed-to-be-universities in India to be placed in the category '1' by Ministry of Human Resource Development, Government of India, it is a bold institution that has blazed trails since its inception a decade ago as the International College for Girls (ICG). The Journey since then has been marked with accolades and recognitions all the way. As ICG, it has been accredited A+ by the NAAC of UGC, recognized as a College with Potential for Excellence (CPE) by the UGC, and selected as a model college by the state government. In a national survey by AC-Nielsen-ORG-MARG in April-May, 2011 for the India today Magazine, ICG has been rated as the top college in the state in Arts, Science and Commerce streams and ranked among the top 30 institutions of the country.

## THE IIS UNIVERSITY CIVIL SERVICES CLASSES

*'Not many have the strength to give wings to their dreams, But those who do, reach peaks of success that others are unable to.'*

If your dream is to be in the Civil Services we at The IIS University will make your dream come true!

*"The IIS University (IISU) is defined by its success. The learning and success of our students has always been and will always be the hallmark for all that we do."*

*-Dr. Ashok Gupta  
Vice-Chancellor, The IIS University, Jaipur*

The Civil Services is the most sought after career in the country. After all where else would one get the power to really get an opportunity to improve the lives of thousands of people and be able to bring about a change in society? Civil servants are truly the lifeline of the government. They are the policy makers for the welfare of society.

Civil Services include the State and Central government offices. The civil services exams are among the most competitive in the country.

### MISSION

Our mission is to help candidates to acquire confidence and competence to emerge successful. We at The IISU strive to make sure that your IAS/RAS preparation culminates in attaining your goal. Civil Services examination is a huge task and looking at the tough competition, actual preparation for the examination should start in the very first year of college, so that by the time you graduate you are fully confident and absolutely ready to take your first attempt.

### TEACHING METHODOLOGY

The teaching aims at an in depth knowledge required for Civil Service examinations along with analytical skills and linguistic competence.

Students are given individual attention to clear their doubts. They are encouraged to participate in classroom discussions and brain-storming sessions, a perfect blend of classroom lectures and practical training.

The teaching faculty is among the best in the country. Each teacher is outstanding and master of his/her subject. This team will guide you step by step to your success.

Guest lectures by senior bureaucrats and eminent scholars are arranged from time to time during the course.

As the Civil Service examinations require extensive reading our study material incorporates it all.

Time is precious! We make every moment count!

“ICG brought out the best in me and made me realize my potential. An extremely friendly and loving attitude of my teachers, who never refused their personal attention to me, was highly beneficial. The invigorating on-campus environment- full of extracurricular activities with an equal stress on academics instilled in me a lot of confidence and prepared me well for facing big challenges ahead. It taught me to “Never Break Rules but to Make my Own.”
